PROFILE

Creative and motivated designer with a passion for **visual storytelling, travel, and brand design**. Currently studying **New Media Design and Web Development at BCIT**, I specialize in crafting digital and print content that connects through emotion, precision, and authenticity. With hands-on experience in **content creation, motion design, and digital marketing**, I bring curiosity, adaptability, and a global perspective shaped by my solo travel across Europe and South America.

Seeking an **internship from January to March 2026**, with the goal of growing into a full-time role in creative design and multimedia branding.
